Activities that may need a special schedule accommodation:

(Little League, Graduation, Vacation, Vacation Bible School) Please list dates and times.

Open to girls between the ages of 8-12 years old.

Areas of Competition:

On Stage Interview: During the interview, the panel of judges will have the opportunity to learn about each contestant’s interests, hobbies, activities, educational goals, and dreams. The girls will be asked one question from the list of interview questions on stage during the competition.

Talent: The talent competition allows contestants to showcase performance skills.

Contestants perform a talent presentation of their own choosing. Talent presentations may include singing, dancing, playing an instrument, reciting a comedy or dramatic reading, baton, ball-handling skills or gymnastics. Judges will look for interpretive ability, technical skill, stage presence and the integration of elements.

There will also be a performance done by the entire group during the competition.

Fashion: Outfits may be coordinated depending on the performance. We will work with what the girls have. A special outfit will not be required to participate in this competition. Please don’t go out and buy new clothes. Judges will be looking for confidence and poise.

COMMITMENT:

Contestants need to be available for rehearsal times in order to coordinate talents, and practice their performances. Contestants must be available for pageant activities Saturday June 13th. The candidate will only be able to compete if they make it to all of the scheduled practices.

Practices:

During practices we will be helping the girls practice their talent, working on our group performance, and practicing answering interview questions. It is very important that the girls are comfortable with being on stage; therefore, we will be having several practices before the big event!
